President's Ponderings

Dear Fellowship,

The summer is over and our fellowship will welcome back our members who have spent their time enjoying family and recreational pursuits. It is always a happy sight to see our congregation grow and with new members, regular visitors and expectant parents we *are* growing. The excitement of growth is one that can be felt in our fellowship-with a revitalization of committees, new programs for our Religious Education and the plans for our expanded sanctuary. In fact, we have set a goal to break ground on our new building when the ground thaws in the Spring and we need you to help us reach that goal. There are Building Pledge Forms ready to be filled out and turned in by September 12th with a pledge of financial support from your family. This will be a new and larger home for current members to enjoy and feel comfortable in and a place for us to throw our arms open wide in welcome to new members.

Moving forward into our exciting new year,

Tamara Miller

Fellowship News

It's a Baby Shower for Abby & Lisa!

Baby Shower

We will be helping Abby Bennett and Lisa Dayton welcome their sweet, new addition with a Baby Shower following the service on September 12th being held at Andrew Sperr Park. John & Elizabeth will be grilling up hot dogs and burgers-veggie version as well, and ask that everyone bring a dish to share. Please contact Elizabeth for gift suggestions at: (607) 259-1651 or email at: melaniesmama@gmail.com.

Exciting Year for RE

The Nursery is expecting six children under the age of three years old by the fall. But they're ready with a new room! Come visit on Sept 12.

The Kindergartners will be taking a journey, learning stories and beliefs about different lands & people and then "Creating Home" at the end of their journey.

The Elementary aged children will start the year making a fun "About Me" poster and

then will begin "Moral Tales" the following week with great stories to nourish not only their imaginations, but their souls as well.

The Middle School kids will learn how to answer life's "big questions" through the year with "Riddles and Mystery". A guide that teaches to answer big questions in pencil to meet an ever changing life.

All children will be working in the garden to harvest their own pumpkin in September.

Many gas wells sites were visited on the tour.

Social Justice Directives

The Social Justice Committee wishes to thank everyone in the congregation for their efforts, participation, and interest in bringing about the "Gas Well Tour" recently undertaken on Sunday, August 29th. Starting from the Peck family residence in Mansfield, PA, approximately 30 people(!)

in or affiliated with the congregation viewed up close and personal the magnitude and impact of natural gas drilling operations in the Mansfield, PA area.

Here's another Social Justice Committee idea related to gas drilling—attend an EPA

presentation of its study of the effect of the hydraulic fracturing process on groundwater.

Pakistan Flood Relief Fund **Help NOW!**

"The massive flooding in Pakistan continues to worsen, compelling UUSC and the Unitarian Universalist Association to launch the [UUSC-UUA Joint Pakistan Flood Relief Fund](#). The number of affected people is estimated at 17.2 million and climbing. Millions of people have no access to safe drinking water or sanitation, and desperately need food, emergency shelter, and basic health services. The current aid response cannot meet the vast needs of the survivors, of whom nearly half are children. Your support can make a big difference."

"The world is moved along, not only by the mighty shoves of it's heroes, but also by the aggregate of tiny pushes of each honest worker."

-Helen Keller
