Carolyn's Column (Board President)

I am grateful for and excited about this opportunity. We are a lovely group, with many people willing to help with all the tasks that keep a UU Fellowship functioning.

I believe that there is untapped and enthusiastic energy within our fellowship. I would like to try a different way of organizing ourselves.

Instead of a few committees with broad missions, I'd like to have more committees and task forces with more narrow missions. Here are examples:

The "Curb" Appeal Task Force

Mission: Increase and improve our visibility (in the most literal sense) from the highway.

The Nursery Committee:

Mission: Accommodate people less than three years old, in such a way that he/she is safe and happy, and his/her whole family feels secure, and are

able to participate fully in all aspects of our Fellowship. [The RE committee has enough to do with Religious Education]

The Play Area task force:

Mission: Improve the outdoor play area!!

People on these committees, (or TFs) should not feel that they must do all the related work themselves. Work parties build community, as well as other things. Our group wants to help! People just want to know what they are being asked to do, in a framework that respects their creativity and problem solving skills. If people are not left hanging or micromanaged, they are happy to contribute.

Sign-up sheets will be provided. Please feel free to talk to me further on these topics!

~ Carolyn

P. S. The design drawings and related documents are now posted in the classroom next to the kitchen.

We are attempting to utilize a few social communication tools more effectively, to spread the word about our Fellowship, not only amongst ourselves, but outwardly toward those in the community that are interested...

The first tool is using, and keeping current, the website. Let's all work together to make it the most up-to-date, vibrant, inviting tool we have online. The website is: www.bigflatsuu.org. On the site can be found our UU Principles, current officers, newsletters [past and present],

FAQs (frequently asked questions), and an interactive calendar that we can all edit! Let's add a photos tab! Let's make the home page more current with upcoming service topics and events!

The second tool is Facebook. Did you know over 50% of the American population uses Facebook? Did you know that 1 out of every 5 internet page views on the globe is Facebook? We can safely assume, then, that many people from all over, especially those in our area, have searched the term "Unitarian Universalist" to see what comes up on Facebook. Let's keep our existing UU page active and

inviting! Let's show off ourselves by posting event photos, sharing upcoming event details and Sunday discussion topics.

How about Twitter? We do not currently have a Twitter account, but what are folks' opinions of that?

If you have further ideas, comments and/or questions, please see Chris Telford or any officer, and we'll go forward from there!

Thanks!
