UPCOMING SERVICES AND EVENTS

With People for a Healthy Environment and Park Church, UUFBF is sponsoring a program on March 29th, 9 AM to Noon, at the Big Flats Community Center on how to prepare yourself, your family, and your pets for a weather disaster (flood, fire, heat, hurricane, winter storms, and so forth).

April 27 Tom Nielson, musician, satirist, and social commentator – and a previous visitor to our fellowship – will shower us with guitar music and laughter. The previous day he'll be at First Methodist in Corning for an afternoon performance and potluck, to which we are invited.
